

From The President's Office

Welcome to Rotary Year 2017 / 2018!!!

On behalf of the 2017/2018 Mission Green Team that is going to lead the club, I would like to welcome all of you to this new Rotary Year! The Moment of Truth is here, the 4th Woman President of Kampala North and The Team start their journey today. Thanks to the Rotary Club of Kampala North members who found it befitting to entrust us with the leadership of this gallant club. Today, 3rd July 2017 is a very important day for Kampala North because it is the first fellowship of this rotary year and most of all, District Governor Kenneth Mugisha chose Kampala North as one of the first clubs to be officially visited! We do recognize our Assistant Governor Charles Kabanda and look forward to his support and guidance.

On behalf of the entire club, I would like to congratulate Immediate Past President Nakanjako Njeri Margaret and the out-going Board for a great job done that is going to give us a foundation on which to start our journey. Thanks to Past Assistant Governor David Nsubuga for his guidance and to the entire membership of Kampala North for their tireless support. We do expect even more support and participation this Rotary Year. This Year is going to be an all involving Year.

We do welcome back all those who went to the RI Convention in Atlanta

and also welcome home the VTT Team that went to India and look forward to hearing from them. The VTT Team was led by our own Past President Oskar Semweya-Musoke and we look forward to a great wealth of experience sharing.

During the Year 2017 /2018, we shall uphold the Rotary International theme "Rotary: Making a Difference" through our strategic Goals.

We shall ensure to meet our attendance target of 92%, recruit 2 members per quarter especially female ones, continue with on-going projects and come up with new ones this time through Buddy Groups, embrace District Governor Ken's Mission Green Initiative, participate in the coming February Project Fair, meet our Rotary Foundation target of \$50,000 and regain 100% PHF status among other things.

This year we have deliberately made Fundraising a stand-alone activity to ensure that we concentrate on more innovative ways of raising funds for our projects. We have noted the lack of visibility of our projects and under Public Relations, we shall shout out all the good we do for Humanity so that the public stops thinking that we only wine and Dine.

The Youth have not been given the attention they deserve and we shall engage more in their activities and continue nurturing them as we too involve them in our projects. The

Contracts Committee Chair who is none other than PP Vincent will not leave any stone unturned.

As Kampala North we intend to do better in visiting other clubs and participating in their activities.

All the above will be possible with the engagement of the entire club.

We do thank our new and fresh KNN Officer Rotarian Kenneth Kimuli a.k.a Pablo with his team for making it possible to have our first KNN edition out on time this Rotary Year.

Thank you to all our guests who have graced our fellowship with your attendance, please come again.

Thanks to Team 2017 / 2018 and the members of Kampala North who have made the District Governor's visit worthwhile.

We look forward to an eventful Year as we serve Humanity and ensure Rotary, Makes a difference.

Cissy Mugwanya

President RCKN 2017 /2018

MESSAGE FROM DISTRICT GOVERNOR (DG 2017 - 18) KEN MUGISHA

Special greetings fellow Rotarians of D9211, and congratulations to all the in-coming leaders. I look forward to meeting you all and working with you in the Rotary Year 2017-18.

The Rotary Year 2017-18 is special in so many ways. Not so much because it is our turn to lead, but rather, we are being given the opportunity to make a difference! As the RI President (2017-18) Ian Risely has emphasized: "Rotary is defined not by who we are, but by what we do — by the potential that Rotary gives us, and the ways we realize that potential in meaningful and lasting service." Now is our chance to demonstrate that we are men and women of action - ready, willing and able to make a difference in the communities we serve.

One of the biggest challenges of our times is the unprecedented level of environmental degradation. How we respond to this crisis will greatly impact both current and future generations. As Rotarians we can't sit back and watch as massive deforestation threatens our livelihoods, food security, health and in fact, our very existence. I therefore urge you all to join me in executing "Mission Green" – our signature programme for 2017-18 by planting trees in your communities, homes, along the highways and within the depleted forest reserves.

Undertaking this work in a sustainable manner will however require many hands and resources. We must therefore double our efforts in growing our numbers by taking advantage of the diversity around us. We must

actively and enthusiastically engage—men, women, youth, and children from our different communities as well as forge new partnerships so that we can widen our impact.

I wish you the best during our year of service and assure you of my unending support during 2017-2018 as we strive to make a difference in the world.

I send my best wishes to the entire membership of the Rotary Club of Kampala North. I thank the outgoing board for successfully completing this Rotary

year. I have ample opportunity to interact with the new board. As the new board and the new President

take over I am confident that they will steer the club to another year of great achievements.

It is common knowledge that Kampala North is one of the most effective clubs in our District. That; in itself, may be a challenge because the club has to maintain the standards. The need to clearly identify those things that make Kampala North tick and the others that may require some kind of touch to adapt to new situations.

RI President Ian Risley calls on us to focus on strengthening our clubs, Increase on Humanitarian services and

Enhance Public image and awareness. Let all members get involved and participate in club activities that will enable us achieve the annual goals.

On my part as your Assistant Governor, I will be available where necessary, to offer my guidance, support, and motivation to encourage you achieve.

I wish to thank President Naka and her Team for a job well done. I am sure President Cissy and her Team are up to the challenge and will lead the club in the quest to make a difference in the club, in our community and in the world.

Kanga Proverbs – By Rtn Sophie Kalema

I lived in Tanzania for some years and what interested me the most is the khanga commonly known as the lesu in Uganda. It is widely worn in East Africa especially be women. I appreciate the khanga because of its interesting Swahili writings known as proverbs with different meanings that relate to life events. They always portray a message! These proverbs are taken very seriously in Tanzania which makes the khanga worn specifically for a particular purpose.

This can be determined by the proverb written on the cloth.

Today’s khanga proverb
“HARUSI IBARIKIWE KWA FURAHA IPATE BARAKA”

This means: “Let this be a blessed wedding that it may receive more blessings”

From the message, this khanga can be worn at a wedding or given as a wedding gift to the bride and groom on their wedding day.

A piece of advice, it’s important to present a khanga for the right purpose. You will never be embarrassed!

Congratulations to DG Jayesh and his membership team

Eight new clubs opened in our District this year (2016 -2017). This is the highest number of new clubs admitted this year in the whole of zone 20A. Below is the list of the new clubs.

NAME OF ROTARY CLUB	ROTARY NUMBER
Kisaasi – kyanja – Kampala, Uganda	87878

Bweyogerere Central, Uganda	88129
Apac, Uganda	88166
Kalangala Ssesse islands, Uganda	88162
Lugogo Mango Tree, Kampala, Uganda	88294
Kampala Maisha, Uganda	88369
Hai Kilimanjaro, Tanzania	Pending

RCKN Committee meeting Schedules 2017/18

No	Committee Name	Committee Leader	Day of Committee meeting
01	Service Projects	PP. Frank B. Sebowa	Every First Wednesday of the month
02	Club Administration	Rtn. John Muyonga	Every Second Tuesday of the month
03	Membership	Rtn. Steven Munabi	Every second Wednesday of the month
04	TRF	Rtn. Emmanuel Kamugira	Every first Tuesday of the month
05	New Generations	Rtn. John Degeya	Every second Thursday of the month
06	Public Relations and communication	Rtn. Winston Agaba	Every first Thursday of the month

TOTS OF WISDOM:

- Keep your words soft and sweet, just in case you have to eat them.
- Better tools will be found as you go along and so are harder grounds.

JUST ASKING:

- Why do the feet smell and the nose run?
- Why is abbreviation such a long word?

ROTARY HISTORY

VTT –UHT trip to India By Rtn Oscar Semweya Musoke

VTT arrived safe and sound travelling via Dubai and straight into Chennai. 5 of the 7 members team were upgraded to the business class on the second leg from Dubai to Chennai; good omen! Of course this was a big thing for a couple of members and for me.

We were warmly welcomed by the local host, Rtn Daksha of the VTT partner club, RC Meenambakkam and PP Ajitha a member of another club. India has never had a VTT! This project has

generated excitement and consequently, Rtn Daksha has been appointed District VTT chair and Ajitha is a committee member. They are planning to take teachers to Canada this Rotary Year!

On Sunday 18th June, we attended the District 3230 TRF training. Very interesting because we were literally case studies – ie in regard to club collections, district matches, foundation contribution, etc! Presidents Elect were encouraged to dream up projects

– there are many needs! As I write this, TV news media is reporting that Chennai City water reservoirs have just enough for 5 days! Good enough it has rained today!

We were celebs of sorts! RC Meenambakkam was congratulated for the VTT; they put in \$2,100 and District 3230 contributed \$3000 – an example of how little monies can still deliver a project and we were real examples!
